

Marilyn Morenz, RN, BSN, CHPN

Marilyn Morenz graduated from New York University School of Nursing and worked in Oncology before joining Hospice & Palliative Care Charlotte Region (Hospice at Charlotte) in 1985. While with the organization, she has been a Staff Nurse, Director of Admissions, Supervisor for the long term care nurses, and currently holds the position of Education & Resource Manager. Her work is mainly as an educator, bringing to our referral sources and all others in the community educational presentations on varied topics including Hospice and Palliative Care, Pain and Symptom Management, and Advance Care Planning. Marilyn has a personal stake in this last topic, and has committed great energy to educating clinical staff as well as the general public about how to make choices for end of life care. Marilyn is a certified instructor for Respecting Choices, a course that enables participants to become facilitators for conversations regarding end of life choices, and she is a Certified Hospice & Palliative Care Nurse (CHPN). To renew herself, Marilyn enjoys sharing her love of nature and the outdoors with friends and family.
