

## Jason R. Vaillancourt, CFA

*Senior Vice President*

*Investment Strategist*

*Portfolio Manager*

*Investment Management*

### Responsibilities at Putnam

Mr. Vaillancourt is a Senior Vice President and Investment Strategist in the Global Asset Allocation Group. He is responsible for the research that drives the top-down views of GAA portfolios, including asset class, region, and sector decisions. This work also contributes to Putnam's Capital Markets Outlook. He is a Portfolio Manager of Putnam Asset Allocation Funds (Balanced, Conservative, Growth). He has primary responsibility for international equity security selection within GAA portfolios in addition to his role as a Portfolio Manager for Putnam's Separately Managed Account business. Mr. Vaillancourt, who joined Putnam in 2000, is a CFA charterholder and has been in the investment industry since 1993.
