Sanjay Yodh

Sanjay Yodh

Managing Director, Alternative Strategies

Sanjay is a senior member of Rydex's investment committee and provides strategic leadership in product development, marketing and distribution of the firm's alternative product line.

His responsibilities encompass the full breadth of the firm's alternative products, including shaping Rydex's alternative investment product suite, conceptualizing and launching new alternative investment products and introducing institutional-style strategies to the retail marketplace.

Sanjay is frequently called upon to provide industry expertise on the topics of asset allocation, alternative strategies, marketing and distribution strategy.

Background

Prior to this role, Sanjay was managing director at Deutsche Bank, where he held senior positions across the mutual fund, sub-advisory and institutional platforms and served as the head of business development for Deutsche Bank's Global Insurance Asset Management Division. He has also worked at JP Morgan in both London and New York as an investment specialist working with defined contribution and defined benefit clients, advising them on investment strategies and providing asset allocation services.

Sanjay holds a bachelor's of science degree in industrial engineering from the New Jersey Institute of Technology. He holds his FINRA series 3, 7, 24 and 63 licenses.

Rydex Investments and Security Global Investors are subsidiaries of Security Benefit Corporation.
